### **Our Mission:**

To provide quality hauling services with a spirit of excellence, 100% on time service performance and customer satisfaction.

### **The Melendrez Difference:**

**Melendrez Trucking**, a general hauling service, was founded by Adam H. and Vera Melendrez in 1997. With over 12 years of trucking experience, we provide affordable services to our clients. Melendrez Trucking meets or exceeds all TXDOT and federal DOT trucking regulations. Our fleet of 30 trucks includes end dumps, bobtails, belly dumps and flatbeds. Our drivers have an excellent record of service and safety.

### **General Hauling Services:**

Our service area extends from the metropolitan Austin region across Texas. We are experienced, dependable, and licensed and bonded for client protection. Our services include the hauling and delivering of construction related materials including:

- Dirt
- Loam
- Sand
- Gravel
- Road Base
- Hot Mix

### **Past Performance:**

**Melendrez Trucking** has performed hauling services for the following projects:

- Mopac Highway, Austin
- Highway 183-A, San Antonio
- SH-130 Project, Pflugerville
- Shoal Creek Tunnel, Austin
- Walnut Creek Tunnel, Austin
- Granger Lake, Taylor
